All the below criteria must be met in order for the child to potentially qualify for Medicaid in-home services, and services are NOT guaranteed even if all boxes are checked. Insurance approval is required. (NOTE: Non-Medicaid insurances do not allow intensive in-home services under most policies.)

Place an **X** in the criteria below that apply.

- Child has a primary diagnosis of Mental Illness identified in DSM V (Autism/PDD are not accepted)
- Child is under 21 years old
- Severe emotion/behavior problems are expected to persist for at least a year
- Symptoms substantially interfere with functioning in the home, school, or community settings
- Child receives services from other service systems (social services, JJ, child welfare, Spec. Ed.)
- Child has tried less intensive/outpatient counseling with minimal/no successful outcome
- Child has had a "Healthcheck" screen in the last 12 months
- Child has a written diagnostic assessment performed by a psychiatrist within the last 12 months

If not all boxes are checked, or if payment for services may be with other agency (non-Medicaid) or private pay, or please contact Jeremy Burtch, LPC at 608-577-3299 prior to sending form to discuss potential options for in-home services to still occur.
